

We are delighted you are considering holding a wedding ceremony at The Horn of Plenty. With our idyllic setting overlooking the Tamar Valley and our commitment to personal attention, I can assure you of a truly memorable wedding day here.

The Horn of Plenty holds a civil weddings licence that allows the ceremony to take place in one of three different rooms, dependant upon guest numbers. There is a charge of £400.00 to perform a civil wedding on the premises. We are able to accommodate intimate weddings with a small number of guests, with a maximum of 80 for a sit down wedding breakfast or up to 100 for a buffet. We can also cater for larger numbers with the hire of a marquee. There are ample parking facilities for your guests.

The licensing authority for civil weddings is West Devon Borough Council, and you will need to liase with staff there over date availability as soon as you have settled on a date with us.

We have a lovely bridal suite available and a further nine rooms. If additional rooms are required we can accommodate you nearby. I have enclosed our new wedding brochure and current tariff.

Our award-winning Master Chef, Peter Gorton, is on hand to create a truly spectacular wedding day menu for you, whether it is a sumptuous buffet or a delicate sit down meal of four to nine courses.

Enclosed are some sample menus to whet your appetite and give you a guide as to cost per head and look forward to talking through your ideas when we meet.

We work closely with a number of excellent local companies which specialise in wedding services and can help with your arrangements for live music, photography, cars and flowers should you require it.

Whilst planning a wedding is a most enjoyable time, it can also be quite a daunting task! I would be delighted to help you with it and ensure your wedding day goes smoothly and look forward to meeting you soon at The Horn of Plenty.

Regards

Margaret Jones

The Horn of Plenty Terms and Conditions 2008 Deposits

We require a non-refundable first deposit of £500 to secure the date. Please ensure that you have confirmed the date with the registrar prior to confirming with The Horn of Plenty.

Upon receipt of your first deposit will be taken as a full acceptance of our Terms & Conditions

Room Charge

There is a standard Room/Hotel charge of £750

Estimated accounts

Once we have had our discussions regarding all your wedding plans we will be able to furnish you with an estimate for the total cost of the event. This will include menus, wines, drinks, accommodation and any additional personal extras, such as fireworks, entertainment etc. Please appreciate that we **endeavour to be as flexible in every aspect of** creating the wedding event including the account and therefore this can be adjusted to your budget depending on your requirements. It is this estimate that we will use to request further percentage payments nearer to the wedding date.

Account

Using the estimated figure as a guideline for the final payment we deduct the first deposit and then request a further 50% of the outstanding balance to be received eight weeks before the wedding date and then a further 50% to be paid four weeks before the wedding date. Any additional charge occurring on the day can be settled at the end of the wedding.

An Example below:

Estimate	£3000.00	
First Deposit To set the date	£500.00	Immediately
50% Balance	£1250.00	8 weeks prior to wedding
50% Balance	£1250.00	4 weeks prior to wedding

Failure to comply with the agreed settlement amounts and times could result in cancellation/postponement of our services until balances are settled.

Rooms

Where your estimate has been calculated to reserve a specific amount of rooms for your guests, this will be charged whether the rooms are occupied or not. If a guest does not take the room that has been reserved, this will be charged to your account.

Non Exclusivity and Numbers

We must be advised of final chargeable numbers no less than 21 days prior to the wedding day or we will have to charge for the last confirmed covers, regardless of the guests coming or not.

Exclusivity and Numbers

Due to the size of the Horn of Plenty we are often asked to grant exclusivity of our premises throughout the wedding. We can do this but it must be based on the condition that the numbers of guests agreed with you and our Wedding Co-ordinator is used as a firm guideline and will be within 10% of the agreed figure.

For a full breakdown of our exclusivity details please see attached.

Any reductions of guests must be advised no less than seven days prior to the wedding or we will have to charge for the last confirmed number of guests within the 10% guide mentioned above

Cancellation Policy

Due to the size and nature of the business at The Horn of Plenty, it is necessary that we operate a non-refundable policy of any payments made at any stage against the above time and payment structure.
