47 Stag's Leap Wine Cellars Karia Chardonnay California, USA

A monumental Chardonnay from a monumental producer. Sets the scene with rich notions of pineapple, banana custard, melon and toast. It's rich, opulent and mouthfilling with a toasty, tropical finish.

Stag's Leap is one of the undisputed icons of the Napa Valley. The winery was founded in 1970, and their 1973 Cabernet won the famous Judgement of Paris tasting, beating first- and second-growth bordeaux. Since then they have become one of the most lauded and sought-after wine producers anywhere in the world.

48 Pouilly-Fuissé 1er Cru Sur La Roche, Rijckaert | 110 Burgundy, France 🕼

A wine with exhilarating freshness, a spicy honeysuckle and acacia rich nose, showing ripe and abundant fruits on the palate with a creamy soft mouthfeel, sharpened by a taut mineral profile and saline zesty finish.

Vins Rijckaert was founded in 1998 by passionate Flemish winemaker Jean Rijckaert. He established his own domaine with four hectares in the Mâconnais as well as five hectares in the Jura, making him the first person to produce wines simultaneously in both regions. In 2013 Jean met his alter ego Florent Rouve, a fellow winemaker who became Jean's protégé. Gradually he passed on his savoir-faire and philosophy to Florent, and eventually transferred the business itself. Florent has continued to develop the style of Vins Rijckaert wines with his own signature, balancing their natural richness with great freshness and

precision.

49 Puligny-Montrachet Grands Champs, Domaine Bohrmann

150

Burgundy, France From 48-year-old vines which has been aged for 12 months in French and Austrian oak barrels. It has intense citrus aromas of grapefruit and mandarin and is powerful, fruity and long on the palate.

Sofie Bohrmann has built her status in the Côte de Beaune through persistence and craftmanship. Originally from Belgium, she gradually took the helm of her family's estate, established in 2002 by her father with just a few hectares in Meursault. Today, the 12-hectare domaine encompasses excellent sites throughout the Côte de Beaune. Sofie embraces organic and biodynamic practices (though uncertified), meticulously managing yields. Her careful barrel ageing honours Burgundian tradition while crafting wines of remarkable character and balance.

ANTINORI

Bottle

50 Villa Antinori Chianti Classico Riserva 67 Tuscany, Italy

This is a rich, modern Chianti that marries beautifully ripe cherry fruit with well-judged smoky oak notes. The opulence on the palate is tempered by savoury notes of clove and a firm structure supporting the plump fruit.

51 Ridge Three Valleys California, USA 6

90

Ripe red fruits on the nose. The medium-full palate is layered with flavours of plums, wild berries, savoury herbs and black olives, with just enough tannin to add a pleasing grip.

One of the best-loved names in American wine. Thanks to the thoughtful and consistent application of simple principles: carefully chosen, mature vineyards farmed with great care; minimumintervention winemaking; production decisions guided by continual blind tasting; and total transparency through ingredient labelling. Ridge has joined the ranks of the timeless classics.

Trunotto

52 Barolo, Prunotto Piedmont, Italy 10 100

Complex nose with notes of rose, strawberry and forest fruits. Delicately floral, yet persistent on the palate, this is Barolo at its best.

The Prunotto estate is located in Alba, the most important city in the Langhe area halfway between Barbaresco and Barolo. Prunotto reveals its territory's rich heritage and unique attributes in each bottle capturing the different expressions that each vineyard parcel reflects.

53 Riserva Costasera Amarone Classico, Masi | 120 Veneto, Italy 10

Plums and baked cherries on the nose with hints of bay leaf. Magnificently rich and soft on the palate with cherry, blueberry and sweet spice flavours. Long, dry finish with a touch of fresh blueberry.

In 2022, Masi celebrated the 250th anniversary of the Boscaini family's first harvest in the Vaio di Masi, and what a history it is. As dedicated to research as they are to winemaking. They are the leading Amarone producer, instrumental in the development of this extraordinary style, made solely from semi-dried grapes. In the late 1950s, they identified certain historic plots which are vinified as Amarone and bottled separately to this day. In 1964, they launched the now-legendary Campofiorin, which revived the technique of a second fermentation with semi-dried grapes, adding depth and complexity to Valpolicella.
